

ST JOSEPH'S SCHOOL TEMUKA

NEWSLETTER

Tena Koutou parents and friends of our school

Welcome back to the final term of the year, unbelievable as that is. I hope you all enjoyed the break from the normal school routines even in the indifferent weather.

Our first big event this term is the FOSJ Colour Canter. This is a major undertaking and is an event that fits perfectly well with our school values of a fun family community activity. The run is sure to be fun as will the after picnic with live band and plenty of food outlets. So get your extended family and friends together for this great event. Registrations can be completed on <http://www.temukacolourcanter.co.nz/> before 22 October. Please support our hard working FOSJ team with this exciting venture.

Another venture being undertaken by our senior students is the Operation Christmas Appeal outlined later in the letter from our St Vinnies group. We ask for your support of this project in place of the usual Mission Fair. This is because the senior students wanted to do something of their own design that benefited our local community. Also given that we have already had a fair this year for which all parents supplied baking we do not want to be asking for the same again. This is a project designed by our senior students that we trust all families will support.

We look forward to the return of Mrs Brookland who is returning from a three week teacher exchange in Japan. This has been a very interesting opportunity for her to see education in a totally different setting and we are sure she will have many stories to share on her return on Thursday. We congratulate Bec on winning this trip and look forward to hearing all about it.

The summer sports season has started and we feel our students are extremely lucky to have such a wide range of options on offer. Please consider one of these options as listed in this newsletter for your children to support the amazing opportunities we have in our small town.

We would like to congratulate Paddy O'Reilly on his election to the Timaru District Council and feel very confident that he will represent our area extremely well. We are very grateful that he was able to make a special appearance at our final assembly to be the "role model" giving out the term's St Joseph's Challenge Awards.

Please take note of the calendar of events for the last term so you are aware of all the key dates.

*Nga mihi nui
Bernie Leonard*

Doing Your Bit

- ◆ Blue Rooney for organising the cleaning, mending and reinstallation of our shade sails.
- ◆ Mid-Land Contracting for the completion of our replacement Fort.
- ◆ Mazda NZ for sponsoring us \$3,796 for the security camera for the Taniwha Garden area.

School Mass—Sunday 20 November

The School Mass will celebrate the Feast of Christ the King. This Mass will be led by our Year 8's as their final school Mass at St Joseph's. There will be a second hand uniform sale afterwards.

Inquiry

This term's inquiry called "Safe as...." has a health focus during which students will learn a range of first aid skills from Red Cross and St John as well as look at the risk areas for injury around school then decide on the safety procedures we need to have in place. Having student ownership of this will certainly help ensure that procedures are followed. Further details of the "KEEPING OURSELVES SAFE" and other aspects of this unit will be included in class newsletters to go out next Monday.

Wacky Hair Mufti Day!!!

The Young Vinnies group in our school are planning to have a wacky hair theme day to celebrate our school helping others in our community on **Friday 4 November**. Funds raised are for their project, "OPERATION CHRISTMAS". The project involves reaching kids in poverty with gift filled decorated shoe boxes. Some of the boxes will be distributed in our community through the St Vincent de Paul Society and others sent overseas just in time for Christmas. We are asking that all kids in school support this initiative, by a gold coin or donating items that could fit inside the box like:

Rm 1: Something for personal hygiene, (soap, toothbrush, toothpaste, hairbands, hairbrush, sunscreen, Shampoo, conditioner, etc)

Rm 2: Something to wear (new underwear, socks, tops, gloves)

Rm 3: Something to love (toy, teddy, book, etc.)

Rm 4: something to use (wrapping paper, stickers, glue sticks, felts, crayons)

Rm 5: Something to play with (knuckle bones, cards etc or rosary, prayers or anything else you like)

These are just some ideas, but if you have other items at home that you think the group could use (wrapping paper, stickers, bows and decorations, shoe boxes, etc.) please forward them to school.

The St Vincent de Paul society helps people in need in our local area and internationally by way of food, household items, advocacy and friendship.

Thank you for your support.

St Vinnies, Emillea, Amber, Michael, Allen & Nikita
